Asset Searches

This is one that you obtained the Judgment on years ago. They signed for the certified mail at the above Address. Our efforts at determining assets came up empty, although they may still have an interest in the M.R. Latin American, Inc. You should recall that they were discharged in Ch 7, although this debt Survived due to the fact they obtained the original loan on a fraudulent basis. Suggest we bring them in for a debtor's exam and develop assets etc.
